

Nightingale - a living by giving and receiving!

**The International Nightingale Day
the 24th of February**

*Every week more than 1000
mentors all around Europe
and Africa meet a child
- meetings were a mutual
learning takes place
where knowledge about
each other develop
and where you get access
to each other's world*

The Nightingale mentoring program has been spread to 24 universities all over Europe and in Africa.
