

The Nightingale
Mentoring Network

Marit Tveraabak
Albert Francoli
Nerea Arechaga
Carina Sild Lönroth

Board Skype meeting Monday the 12th at 9.30

- **The Bodö network meeting & the Conference**

The network meeting will be held the 10th and the Conference the 11th – 12th of October. The Conference theme will be “Identity and Belonging”.

The 11th of October at 12.30 the Conference will start with Lars Andreassen from the Sami community. There will also be group discussions.

The day will end with dinner in the evening.

The 12th there will be a lecture by the PhD Viggo Krüger, a music therapist who is a leader of a theatre and music team. He has worked with “children in need of protection”. His work is very closed to the UN Children rights declaration.

We decided:

Carina will send her document *Planning the Nightingale conference* to Marit.

Marit will send some lines about the Conference to Carina, she will put it on the webpage to encourage partners to plan for this.

When the Conference schedule etc. is finished, at latest in May, network partners will be told to spread it to different mentoring programs in their countries as well in their network and to different network in Europe.

Before the next board meeting Marit will send a draft version of the Conference/agenda for the board to give feed-back.

The network meeting will be longer this year, we will meet in the afternoon the 10th at 4 o'clock and later have dinner together. We decided to also meet the 11th in the morning before the Conference start at 12.30.

- **Next meeting**

Thursday the 19th of April at 09.30.
